

**PT WATERMART PERKASA**

Providing High Quality Water Components at Affordable Prices

[www.watermart.co.id](http://www.watermart.co.id)

## WHAT WE DO?

Watermart is the leading official distributor for many international brands of water treatment components. We focus on a selection of quality products at the most competitive prices. We ensure consistent availability, provide delivery and professional expertise in selecting the best products for your needs.

## ? WHY US?

- Official Distributor.
- Experienced technical expertise.
- High stock availability.
- We can deliver to all regions throughout the country.
- Provide manufacturers warranty.
- Over 15 years experience in the industry.

## VISION

Providing the best value to our local customers  
- no matter how large or small.

## MISSION

To put our utmost focus on customer needs and  
providing new values and innovative services.

# ‘THE BEST WATER COMPONENT PROVIDER YOU CAN TRUST’
